## Student Council

The Student Council serves as the executive group of the Monticello student body, and the officers are elected by all the students. The remaining members of the Council comprise the Council board which consists of the class presidents, house chairmen, M.C.A. and M.A.A. presidents, sponsor chairman, Social Chairmen and the two editors of student publications. Mrs. Duree serves as advisor to the Council.

## House Council

The House Council is formed from the presidents of the two halls, Baldwin and Caldwell, the proctors and the fire chairman. The council determines house policies, alters and improves existing regulations, and enforces the College rules.

## We're going with you

After all, we've become old friends during your stay here. Whether you knew it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped make. Just read the list on the right, and you'll see what we mean.

Once you're established in business or professional life you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us. And a few of you may even come to work for us. There'll be room, because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities and resources of two of the country's most rapidly expanding industrial organizations. You and the Olin Mathieson Chemical Corporation will both be going forward, and we'll meet each other often as we do.

Meanwhile, we extend our heartiest congratulations and good wishes on your graduation. May the future bring you everything you've hoped for and worked for.
